RADIO 24 STUDIOS

Digital Round Table entering the studios of Radio 24

Starting from 2023, Digital Round Tables become a privileged access for listeners and guests who have the opportunity to attend and participate the digital events in the studios where Radio 24 broadcasts its programs.

An added value to the experience of the Digital Round Tables able to involve even more the listeners and give the guests the opportunity to experience firsthand the world of Radio 24.

THE EXTRA RETIREMENT PLAN - DIGITAL ROUND TABLE

Towards a safe pension: challenges and opportunities of supplementary solutions

Should we refer to it as supplementary pension or basic pension? Given that the amounts of base pension benefits are set to decrease, choosing an additional pension plan is becoming increasingly necessary.

The Digital Round Table, hosted by Debora Rosciani and Mauro Meazza, will engage with experts and specialized managers to address all aspects of pension funds, both occupational and individual. New regulatory developments now require a deeper understanding of these instruments, and the data from the Pension Fund Supervisory Commission provide insights and opportunities for comparison. These guidelines should be best utilized, especially by younger people and women, the two groups most exposed to the risk of insufficient pensions

COMMUNICATION ON RADIO 24

To inform all listeners about the event and invite them to register for participation, a co-branded promo campaign will air starting two weeks prior to the event, aimed at generating maximum interest from the radio audience.

There will be **5* co-branded promos per day, 30 seconds each, rotating from 6:00 AM to 12:00 AM.**

Each day, for 14 days, each partner will be mentioned in 5 co-branded promos, for a total of 70 co-branded promos.

The co-branded promos will highlight the collaboration between Radio 24 and the partners participating in the initiative. Additionally, the digital event will be mentioned on-air during Radio 24 programs that are relevant to the topics covered.

* In the event of 4 sponsors being present, the daily schedule will include 5 co-branded promo slots for each client. Two versions will be scheduled, with each version featuring 2 sponsors at a time, rotating throughout the day

RADIO24.IT

The event page will be online starting two weeks prior to the event, simultaneous with the on-air communication, and will provide all the details for participation, guests, speakers, and the topics discussed.

The Digital Round Table streaming will then be available starting from the days following the event on radio24.it and on Stream24.

The screenshot shows the Radio 24 website interface for the event 'La pensione in più'. At the top, the Radio 24 logo is on the left and 'NOV' is on the right. The main header features the event title 'La pensione in più' in large white font, followed by 'Digital Round Table' and 'Con la moderazione di Debora Rosciani e Mauro Meazza'. Below this, a white box displays the date '9 Ottobre 2024' and time '15:00 - 17:00'. A progress bar shows '6' in a green circle, '22' in a grey circle, '40' in a grey circle, and '2' in a grey circle, with labels 'COSE', 'GIE', 'REMI', and 'SECON' below. A green button says 'INSCRIVITI QUI'. Below the button, it says 'Per partecipare al live streaming Oppure [clicca qui](#) se sei già registrato all'evento'. A small note at the bottom of the box reads 'Con la moderazione di Debora Rosciani e Mauro Meazza'. To the right of the box, the section 'L'evento' contains a paragraph of text: 'I dati dicono che le adesioni alle forme di previdenza complementare in Italia stanno crescendo, nonostante le incertezze del mondo del lavoro e nonostante le difficoltà del panorama economico degli ultimi anni. Eppure, il potenziale è ancora alto e troppi lavoratori e lavoratrici non rispondono all'appello. Mancano le informazioni per fare scelte consapevoli. Ed è particolarmente basso il numero di giovani che accedono ai fondi pensione: proprio coloro che avrebbero maggiormente bisogno di costruirsi un patrimonio previdenziale. L'allungamento della speranza di vita e la diminuzione dei nuovi nati non fanno altro che accentuare l'urgenza del tema previdenziale. Al punto che si sta discutendo della possibilità di riaprire un periodo di "selenite-assenso" tra i lavoratori per stimolarli ad una scelta.' Below this is another paragraph: 'L'evento condotto da Debora Rosciani e Mauro Meazza, giornalisti e conduttori del programma Due di Denari su Radio 24, offre l'occasione per confrontarsi sull'importanza della diffusione della cultura previdenziale tra i cittadini, favorendo una migliore comprensione degli strumenti a disposizione dei risparmiatori.' The 'Relatori' section lists: 'Simone Bini Smeghi' (Vice Direttore Generale di Arca Fondi SGR), 'Andrea Carbone' (Ideatore Amfiteconomy), 'Mauro Marè' (Presidente di Hefap), and 'Nadia Vavassori' (Responsabile fondi pensione aperti di Amundi SGR). At the bottom, there are logos for 'Amundi Investimenti Soluzioni' and 'ARCA' under the heading 'In collaborazione con', and the 'Radio 24' logo under 'Un evento di'.
