THE INTERNATIONAL EVENTS OF THE
ECONOMICS FESTIVAL 2026

ROAD TO TRENTO

THE 2026 STOPOVERS:

SÃO PAULO - 25 MARCH
HANOI - 4 MAY

LIVE  STREAMING

Road to Trento is the international roadshow that represents the run-up to the **Trento Festival of Economics**, one of the most important international events dedicated to major contemporary economic and geopolitical issues. Since 2023, the project has been bringing the spirit of the Festival to the world, creating opportunities for dialogue, discussion and networking between businesses, institutions, academia and Italian communities abroad.

Each event is hosted by Embassies, Consulates, or Italian Cultural Institutes, and deals with **the challenges and opportunities of international markets** with the contribution of prominent speakers. Among the objectives of the meetings, which are aimed at the Italian business community around the world, our companies with international interests, and foreign companies looking at Made in Italy and economic partnerships, is the **promotion of our economic culture and the strengthening of relations between Italian companies and foreign markets, also thanks to networking opportunities.**

SÃO PAULO

Italy–Brazil: New Routes for the International Growth of Businesses

22 APRIL

LIVE  STREAMING

São Paulo, Brazil, opens the Road to Trento 2026 tour.

A meeting to explore development scenarios, investments, and partnerships between two complementary, high-potential markets. The event, organized in collaboration with the **Italian Chamber of Commerce in São Paulo – ITALCAM**, will offer a concrete opportunity for dialogue on innovation, sustainability, production chains, and market access, with the goal of building lasting bridges between the excellence of the two countries.

Brazil represents a **strategic platform for the expansion of Italian companies in Latin America**, while Italy continues to stand out as a European hub for industrial innovation, design, and technology. An event designed to turn dialogue into action: connections, shared projects, and new routes for global competitiveness.

TOPICS

- Market access and investment support tools
- Innovation
- Agri-food and food & wine sector

Green & Digital in Manufacturing: Italian Technologies for the Transition in Vietnam

4 MAY

LIVE  STREAMING

In collaboration with the **Italian Chamber of Commerce in Vietnam**. The event will be an operational forum bringing together companies, institutions and stakeholders to discuss **the role of Italian technologies in the green and digital transition of the manufacturing sector**. The meeting will focus on concrete solutions for energy efficiency and the sustainable use of resources — from water and waste management to the optimization of production processes — alongside the latest applications in advanced automation and artificial intelligence for smart factories.

Special attention will be given to market access and financing models, with a focus on tools supporting international investment, opportunities offered by public-private partnerships, and local procurement mechanisms.

Through case studies and first-hand experiences, the event will provide a practical overview of solutions suitable also for SMEs, **fostering dialogue between Italian technological supply and Vietnamese industrial demand** in a perspective of **sustainable development** and **long-term cooperation**, supported by the Chamber of Commerce's role as a bridge between the business communities of the two countries.

TOPICS

- Energy efficiency and sustainable use of resources (from water and waste management to production process optimization)
- Advanced automation and artificial intelligence for factories
- Market access, financing, and tools supporting international investments
- Public-private partnerships
- Local procurement mechanisms
- Sustainable development and long-term cooperation

GENDER EQUALITY

We are the first Italian publishing group to be **certified on Gender Equality** according to UNI/PdR 125:2022.

This milestone was achieved thanks to a significant shift in corporate culture towards a more sustainable and inclusive perspective.

This commitment is confirmed in the design of the programmes for all our events.
